Coconut Dirty Chai Smoothie

Serves: 1 | Cooking Time: 45 minutes | Level: Easy

INGREDIENTS

2/3 cup coconut milk (the real stuff from the can, well shaken)
2/3 cup coconut almond milk
2 tablespoons chai latte powder (don't hate me!)
1/2 teaspoon ground cinnamon
1+ teaspoons maple syrup, honey, agave, etc
1 shot espresso
Ice

PREPARATION

1. Pull the espresso shot and add everything to a blender. Adjust sweetness to your liking and ice according to your desired thickness. OR if you don't have a blender/prefer your drink stronger: combine all ingredients except ice in a mason jar, close the lid tightly, then shake well and pour over ice.
